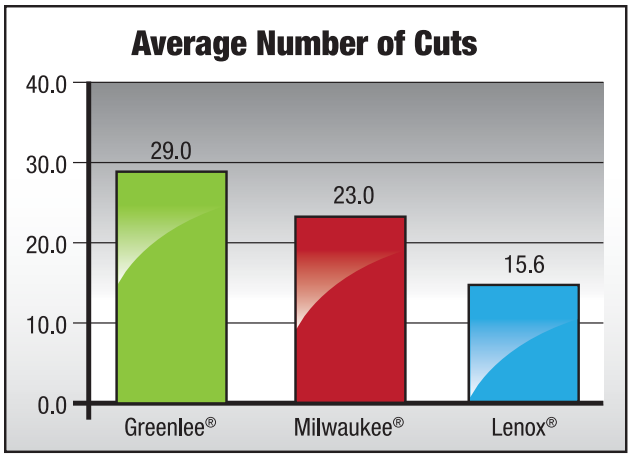
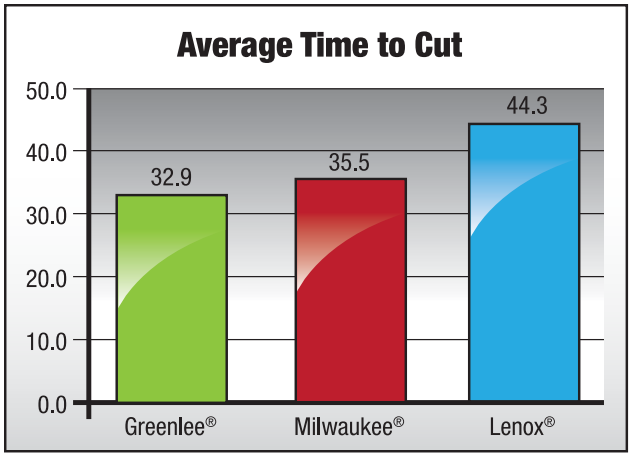
Reciprocating Saw Blades

Better Performance.
Better Value.
Better Selection.





**Based on data compiled from the first 10 cuts.*

The Ultimate In Jobsite Versatility

Greenlee is proud to announce our **NEW and IMPROVED** Reciprocating Saw Blades. Our new blades cut up to 25% faster and last up to 45% longer than the competition, providing the best value per blade.

The new blades are made from bi-metal material with cobalt for added toughness and versatility so the blades last longer. The superior tooth design stays sharp longer for faster cuts, saving you valuable time on the job. We also added more blade types to expand the variety of materials and applications.

With faster and more robust performance than ever before, Greenlee is now the clear choice for all your Reciprocating Saw Blades.

Features

- Made from bi-metal material with cobalt for added toughness and versatility - blades last longer.
- Superior tooth design stays sharp longer for faster cuts, saving you valuable time on the job.
- Able to withstand demanding flush cuts without destroying the blade.
- Heat resistant so the blade stays cooler.
- Additional blade types for cutting materials such as metal, nail embedded wood, plastics and plaster.
- Packaged in a new re-closable vinyl pouch for storage and protection in tool bag.

Specifications

CAT. NO.	DIMENSIONS	WEIGHT
353-110	1.9 x 14.1 x.1" (4.8 x 35.8cm)	0.56 lbs (0.25kg)
353-123	1.9 x 6.1 x .1" (4.8 x 20.6cm)	0.19 lbs (0.09kg)
353-156	1.9 x 14.1 x.1" (4.8 x 35.8cm)	0.56 lbs (0.25kg)

The comparison testing stated on this document was observed and verified by Materials Engineering Inc., an independent third party testing vendor. The test was conducted using 6" length, 24TPI blades for metal applications. Brands tested Lenox® (Cat# 624R), Greenlee® (Cat# 353-624), and Milwaukee® (Cat# 5186). Testing performed cutting 2" Rigid steel pipe at 1,500 RPM with a 20 lb. load. The competitive information is assembled using the latest information and product available in the marketplace. Every effort has been made to ensure its accuracy. If you should have any questions, please contact the appropriate manufacturer.
